

FROM THE PRESIDENT

It is indeed an honor to serve as President of the Burning Sands Alumni Football Foundation of Virginia Union University. As I begin my tenure, I must recognize and applaud the hard work and dedication of those who started and sustained this organization, as all of the past presidents have done a phenomenal job growing this organization.

We have some new and exciting initiatives that we are working on to enhance our organization's growth and visibility! To that end, I will be calling on you to lend your expertise in helping to make our endeavors successful.

To the Immediate Past President, thank you for your leadership and guidance. I respectfully accept this challenge as the new President, and by God's Grace will do everything that I can to unite everyone so that we can accomplish our mission and goals.

I invite you to partner with us and become a member of this great team, as we know the best is yet to come!

One for All and All for One!

🏈 Let's Go Team!
